Mathematics Tutoring. I customize lessons to your goals. (Denver)

Location Colorado https://www.genclassifieds.com/x-437257-z

I've been an instructor for many years and now I focus on tutoring Math to high school to college students.

Each student is different, I therefore adjust my lesson plan to improve their weaknesses and problem solving abilities with their relative strength.

I tutor:

•Common core

•Geometry

•Trigonometry

•Algebra I & II

•Pre-calculus

•Calculus & AP Calculus
