potential for a lot of creative sound design.

Sound edit and sound design is needed for our no-budget indie shot in San Francisco.

This is ideal for film students or recent grads and looking to add a feature film to their portfolio and are available to work on it as soon as possible.

The first half (50 mins) of the film has been thoroughly worked on with sound edit and cleaning up dialogue and only needs a few tweaks - mostly creative sound design is left on this half.

The second half (50 mins) of the film has been lightly sound edited with dialogue cleaned up, with

We are looking for someone who is creative, and who has the ability to put together a cohesive soundtrack that enhances the film - taking it to the next level, but doesn't draw attention to itself.

About the Film:

Frisky is a dramatic comedy about two twenty-somethings who move to San Francisco to chase their careers, but end up chasing tail instead.

Aim:

We have entered into a number (about 30!) of film festivals (acceptance notifications will begin in July) and are seeking distribution.

Hope to hear from!
