

Part Time Nannybabysistter (foster city)

Location **California** https://www.genclassifieds.com/x-437339-z

Looking for help every weekday (Mon-Fri) for 2-3 hours in the morning (around 7AM) or in the evening (6:30 p.m.) to help get the kids ready, cooking, laundry and general housekeeping. Timings and rates are negotiable. Prefer if you have a car of your own, are a responsible driver and are licensed to drive in CA. Bonus points if you can help the kids with homework, especially teach them Hindi (including reading and writing). Also, you should be legal permanent resident or have work permit of your own. We cannot provide sponsorship. Please reply with the best number and email to contact you.
