Award-Winning Producer/Mixer FOR HIRE:

Are you a Country singer / band looking for the Authentic and elusive Nashville Hit sound?

I lived in Nashville for 2.5 years learning how to deliver exactly what Country Radio wants, so I could bring it back to Los Angeles and create what I love. If you are planning to move to Nashville, you need to go prepared to work your product, not going with empty pockets. Let me help you achieve your music dreams!!! Sirius / XM The Highway plays a MASSIVE amount of independent artists.... but your music needs to be ready and fit the genre. I have attended CRS (Country Radio Seminar) the past 2 years studying exactly what Country Radio DJ's want.

I specialize in arranging Country Music to fit "The Formula", and can help you take your songs and make them the best they can be, PLUS World-class Studio equipment and microphones.

My session players are the exact musicians playing on #1 tracks like Rascal Flatts. Your project deserves the best musicians in town.

Y'all ready to get started?
