Award-Winning Producer/Mixer FOR HIRE!!!

Hello-

My name is Daniel Robert Ford (DrFord), and I am a Record Producer & Mixer based in North Hollywood, CA. I specialize in delivering Top 40's Pop / Hip Hop / R&B / EDM / Rock songs, I love working with great bands, and I want to help you achieve your dreams in music!

This past spring (April 2014), I was chosen from 1500 applicants World Wide to travel to the South of France to study under 17 time Grammy Award Winning Producer & Mixer Jack Joseph Puig (Florence and the Machine, John Mayer, Sheryl Crow). In December 2012 I was blessed to go #1 on iTunes internationally, beating out "Gangnam Style" with a record I did for Cheesa from NBC's "The Voice". Just recently, I was awarded "Best Country / Rock Song" in The Academia Awards, February 2015. Additionally, I was awarded the "MusicTech Award of Excellence" for Production, Mixing, and Mastering in February 2011. I say this all so that you understand my commitment to creating amazing music and delivering cutting edge, chart-topping songs. Please visit my website for audio examples and a brief tour of what I do:
