Experienced vocalist/guitar player and songwriter new to LA, looking to form a heavy, sublime band. Let's create something different, sincere, and brutally real..."brutal", meaning the music brings you to tears or pounding fists or better yet-both. Let's have a really compelling live show.

Really inspired by The Swans (old and new incarnations). Lotte Kestner. Diamanda Galas. Diane Cluck. Godspeed You Black Emperor!. Cocteau Twins. Fever Ray. Chelsea Wolfe. Om. Nina Simone. Rachel's. Tim Hecker. Ben Frost. Linda Buckley..
