

Missing chihuahua (Capitol Hill)

Location

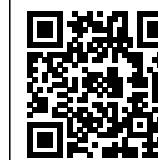

Colorado

<https://www.genclassifieds.com/x-437410-z>

Small brownish male chihuahua. Has collar with name L.B. The phone number on collar is my old number

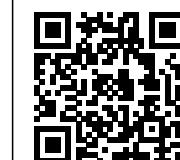

Lost him friday night 5/15/15, on Williams between colfax and fourteenth. Please contact me if you find him. He's just a little guy and we miss him very much. He is also wearing a little harness that is black and has rainbow trim around.
