I'm fostering an adorable schnauzer/cairn terrier mix named Atticus for Animal Rescue of the Rockies. He is the most loving dog I have ever seen. ARR thinks he is about 7-8 yrs. old but I think he's about 3. He is 12 lbs. & has really long legs. He does good w. kids & dogs he knows, but not w. strange dogs. His bio is on the ARR website. He has all his shots & is microchipped. His adoption fee is only \$80. For more info go to the ARR.
