No more landlords, security deposits or broken promises.

Wouldn't it be nice to see extra money in your paycheck every month? You will in the 100s if you buy! Having a mortgage, you gain extra income taxes. You are required to make more income renting versus owning. Own the same home you are renting for hundreds LESS each month!!!

If you are counting this up, this is how you are saving thousands Every Year.

Wait, we can't forget about the Huge INVESTMENT~~If your credit is 600 or better, then come let me help you find that dream home you have always wanted. If you could let me know the following information, I will contact you shortly after. If self employed, must have for at least two years and claiming taxes.

{1.credit score 2.annual income 3.how long at place of employment 4.phone number to reach you}
We have all the little to NO money down options available(upon qualifying), lowest rates and more options to help with a lower monthly payment. Once approved, I can send you listings of all homes available in your monthly payment/approved range.

I am a licensed professional real estate agent and my information is provided in the reply above, thank you

*The listing price is an estimated monthly payment--everyone and every home is different**

There are beautiful homes available in all price ranges for everyone
