Hi folks,

Selling my 2011 Yukon Denali. Overall its is in excellent shape. Pricing is based on Kbb.

It is fully loaded and includes additional items below. I keep all of my cars exceptionally maintained. This has been a great Yukon for me. No accidents!

Additional items above the typical Yukon Denali package

3m clear bra on front bumper and mirrors

Tinted front windows and front windshield with 3m UV protection.

New windshield in 2014

New Micheline tires at 82,000 miles

New mass airflow sensor

Spare electronic throttle body

K and N air filter

Major fluid changes at 50k and 100k (transmission, differential, 4x4 and routine oil changes)

I have been running synthetic in oil and transmission since 50k

DVD player and blue tooth headsets

Black leather

Weather tech floor mats

Leather captain's chairs

Leather bucket seats

Heated steering wheel
