Hi, I am seeking a place that is available to move into now or real soon. It may be unfurnished or furnished. And I can do month - month, lease too. I am a healthcare professional, I am pretty laid back, easy going, personable, responsible, and reliable. I do not smoke, drink or do drugs and have no pets but do not have any problem if you do. I clean up after myself, my environment and i am able to pay my rents and other bills on time. Also willing to pay a reasonable amount for a nice place. If you have something suitable available, please do email me with cost of rent and other details. Looking forward to serious response

Thank.
