

Licensed HVAC for mini split installation (Springdale)

Location **Arkansas**
<https://www.genclassifieds.com/x-437629-z>

We have 2 Daikin condensers and 5 indoor heads that we need installed. We have the linesets and electrical. Just need mounting, lineset flaring / connections, pressure testing, and evacuation. Must be licensed in AR in order for our warranty to stick.

Please respond with estimate or I can provide address and you can come check it out in.
