What you are looking at is my first Teardrop trailer. She is a real head turner. Don't you think? I have sold this one and am now looking to make one for you! If you are interested in having ME make one for you lets talk.

I am always trying to make improvements and the gallie is much better now on hull #2. There is a queen sized mattress in the stateroom. Thanks for looking Peter

Ps the Honda in the photo tows Woodie great! Strait and true and you DON'T need tow
