

Vintage Fresh

Location **Delaware**
<https://www.genclassifieds.com/x-437755-z>

I'm offering for sale a rare vintage Fresh nd Aire fan. It's a 20" air circulator. It is unrestored, but has been oiled and checked electrically, and it runs great. It really moves air!

It has a really cool speed indicator with a pull chain speed switch. Chrome finish is not perfect, but is in great original condition when compared to others. Great mid-century industrial look with Bakelite propeller type blades.

Must see.

Asking \$140 cash only.

If your area code is not local, please phone me as I don't reply to area codes not recognizable as local due to scammers.

Thanks for looking!!
