2014 yamaha fz-09. Great condition. Lots of after market upgrades. Upgraded front springs in forks and heavier weight oil. Flashed ecu for more power and throttle corrections (no more jerky throttle). Two brothers full exhaust. Power commander 5. Seat concepts seat. Have Penske double clicker rear shock a available for \$650. Bike runs great and has tons of power. 6200 miles and goes up as I ride it often. I have spent over \$3000 in upgrades on the bike. It is now how it should have came from the factory. Any questions feel free to ask. I also have all stock.
