Squiggles is an adorably sweet and energetic puppy! He is quite exuberant and would be happy to play play play all day long. :) He is currently available for adoption through AARF. If interested in adopting, please email them for an adoption application!

"Squiggles is a happy and super friendly little pup with such an outgoing personality! He is high energy and will need a home that is active year round to keep up with his pace :). He is a smaller boy, estimated adult size is 30-35lbs. Because he loves to talk he really isn't appropriate for an apartment type setting." -.
