

# HELP. Looking for my dogs brother. (Anchorage)

Location **Alaska**  
<https://www.genclassifieds.com/x-437798-z>

We are looking for our dogs brother. He recently passed away and we would like to find the previous owner since his brother may have the same condition. His previous name was SHADOW, we called him Jack. He was about 1 1/2 when we got him in June 2009. His brother looked like him at the time but was golden. We were told he was half spaniel, half golden retriever. Any help is appreciated, we miss him very.
