

# 626 Giants vs. Rockies View Box First Row (55 USD)

Location **California**  
<https://www.genclassifieds.com/x-437840-z>

Friday , 7:15 start. FIREWORKS NIGHT!!

I have a pair of seats (2) in VB 305 Row A. These seats are located behind 1st base on the home plate side of the section 4 seats in from the aisle.... First row with plenty of leg room and nobody in front of you.

You can find better seats elsewhere, and pay a lot more for them. Or pay less for lesser seats. These seats are the best combination of price and location at A T & T Park.

Each ticket also comes with a \$5 credit redeemable at the concession stands.

I Can make the exchange on the Peninsula or via email with Giants Ticket Relay

Price is \$55 per ticket.
