Hello Everyone! In Search Of:

Moms in need of child care. I have room for 1-2 children. I will be starting childcare services in my home (which is an apartment) starting June 1, 2015 (or sooner if needed). I do not own a vehicle so drop off and pick up will be your responsibility.

I am a high school graduate with some collage classes taken. I am mother of one (girl, age 7 who will be here too) and am 28 years old. I have previous experience watching children other than my own and have references upon request. I can also provide pictures of my apartment to show where your child will be.

I offer a very flexible schedule which is Monday-Friday 6:00 am - 8:00 pm. I also offer very reasonable prices that are base off how many hours a day I have your child, not by the hour. I will provide breakfast, lunch, snacks, and dinner for your children and will take them to the park and swimming pool as well as have activities for them in my home. I am located in the Kansas City (Liberty) area. Please contact me with further questions or if you are interested by replying to this add or by texting. My number
