

Rock Band Seeking Drummer (Cleveland, MO)

Location **Kansas**
<https://www.genclassifieds.com/x-437908-z>

We are an up and coming original alternative rock band with similar styles to 10 Years, Breaking Benjamin, Chevelle, (inspired by) Tool, etc. We're based out of Cleveland, MO and we are currently seeking a new drummer as our previous drummer has recently left to pursue other goals. We are career-minded musicians who love what we do, we don't necessarily want to get rich or famous, just to be able to play and do what we love and have fans that love our music. And we're looking for a drummer as passionate and committed as we are. We are still just starting out (can't really gig without a drummer, right?) but we have many songs written and will be ready for shows as soon as our new drummer will be.

We're looking for a creative drummer that we can get along with, that enjoys the same music as we do, has a minimum of 1 year playing experience, and preferably between the ages of 18 and 29.

We have a practice space and our own drumset.

Please, message us if you are interested and for more details.
