

Full time opening in established small home daycare (Liberty)

Location **Kansas**
<https://www.genclassifieds.com/x-437910-z>

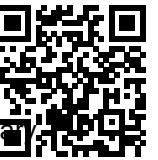

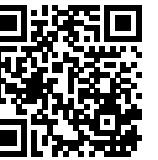

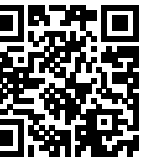

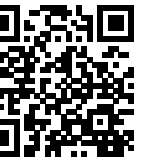

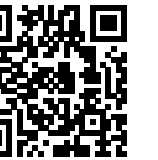

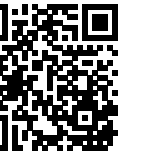

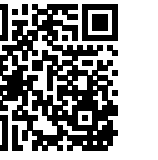

I rarely have openings, but due to a family's relocation I currently have 1 full-time opening available for a child 6 weeks to age 5 in my small established home daycare.

I have been providing care in my home for 8 yrs. I was a preschool teacher prior to that. I have excellent references from the families of children I have cared for in the past and also currently care for. I offer quality care in a comfortable home setting with many opportunities for your child to learn at his/her level. We read, sing songs, count, color, and create art projects on a daily basis. We follow a consistent daily schedule of activities, but we still leave plenty of time for exploring, developing friendships, and lots of fun!

I am a mother of four kids ages 20,18,16, and 14. I have a Consumer & Family Sciences Degree with a Daycare Management certification. My home is a place where your child will feel safe, nurtured, and loved while you are away. I am committed to every child that walks in my door; they quickly become part of my extended family. You can be assured that your child will receive excellent care. My hours are 7:00 am - 6 pm, Monday through Friday. Email me for more information and I will get back to you as soon as I can. I look forward to hearing from you! Betsy
