Hi Ovevrcomer,

Recently I launched a site called SaveOurLegacy.com to help people like you share your encouraging and inspiring stories to be produced into a professional video (testimonial or mini doc).

I'm looking for leaders. People who have overcome different life challenges and have survived to tell their story. If you are an Overcomer. You are a Leader and we want you to tell your story to help others may be dealing with a similar or the same issue. It could be your fight with cancer, dealing with how you and your child overcame bullying or how did you survived a abusive relationship.

If you're willing to share, we are willing to help you get your story produced and shared with the world. To learn more about Save Our Legacy, please go to <https://www.saveourlegacy.com/> and submit your story..all for free.

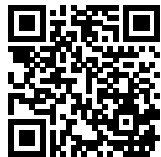

Thanks and I look forward to having you join our movement to inspire and encourage others to never give up hope.

"Save Our Legacy is a platform built on hope, perseverance, and a love for people. We can and we will leave the world a better place. . . and we can do it together."
