

# scrap needs gone (elsmere, ky)

Location **Kentucky**  
<https://www.genclassifieds.com/x-438109-z>

I have a grill patio umbrella along with a hot water heater that need to be picked up and scraped.

I also have a small pile of large pieces of concrete that I would like haul'd away.

I would like 5\$, someone offered me 10\$ for my scrap but I don't feel like waiting on there truck to get fixed.

let me know

Please email or text
