Piano Lessons for all ages! Do you want professional piano instruction specifically tailored to your own goals and pace? I've been playing & teaching private piano lessons for 30 years. I studied classical piano and music theory at The Hartt School at The University Of Hartford. I studied jazz piano and theory with Ray Cassarino, onetime member of Woody Herman's band. I can teach at your place or in my studio in Newington. Whether you're a beginner or you've been taking lessons for years, whether it's pop, jazz or classical, I focus on a positive, fun-oriented approach to learning music. I combine teaching the basics with learning what YOU want to play. Please visit <http://newingtonmusic.com> for more information or call Mike at
