Tired of playing,"oldies", old school this n that, or Classic Humpty Dumpty?

Well, consider this.....

Contemporary World Music offers musicians the opportunity to venture into the Soul of the Americas, the Gypsy Heart, Euro-Asia, Modern Tango, Fusion, Latin, Funk, Afro Cuban, Modern Flamenco and Reggae. Rhythms that are exciting, artistic, & danceable. Locally, very few players dare to approach and so their outlook is somewhat limited.

If you are willing to stretch, learn and step away from the bar or the basement! Willing to find more in your art and yourself! Please read on, as This is not an audition for some business seeking talent but a "Call" for professional Hartford/Springfield talent. We are hoping to find some local folks with chops, to pull together a unique project and performance show band, performing passionate music. The Casino is coming... What might you give to get there?

This offering, a unique and entertaining presentation, can build something based in talent and creativity.
