This summer I am unable to work my normal job as it conflicts with my little one's day camp hours. I currently hold a position working with children and am looking to either provide daycare services, or help to disabled/elderly during my summer off. I have worked for Companions & Homemakers in the past, and have been trained to work with clients with Alzheimer's. I provided housekeeping, meal preparation, general companionship, shopping/errands, transportation for appointments, etc.

My availability is Mon-Fri 9:30-2:30. This is more of an opportunity for parents who want someone to maybe take their little one to the park for a few hours (I do this pretty much daily after work with my little one). Perhaps you are caring for an elderly parent that still lives on their own and you need help with transporting them to an appointment, light housekeeping, grocery shopping, meals, etc. I do not provide any CNA services (bathing, toileting) for adults.

\$10 per hour for childcare (\$5 each additional hour), \$15 per hour for adult care (\$10 each additional hour). Weekly rates available. Within a 20 minute drive of Plainville.

I am available currently Mon, Wed, and Fri 3:30-6 (5:30 on Fri) for small errands, transportation to/from sports practice, dinner prep.

Available June 25-August 25. Not available July 1-8.

I have certification through my job in First Aid, CPR, and AED. I also have a clean driving record and a clean, reliable car. You must provide your own car seat.

Please contact me with any.
