Hello I'm looking for a respectful and honest person to help me out with a loan. I'm a kid going to college and am just needing some assistance paying some tuition and paying bills. I have a job where I make around \$600-700 a month, just unable to work very much with school. I'm needing money for tuition so I can take summer school. I am more than willing to work off a loan or pay back in monthly payments. I'm a Genuine person just looking for some help.
