...sing games, read books, and build their confidence to go on their own adventures. I have always enjoyed making lunch, baking cookies, and assuming the role of a parent. I also enjoy playing musical instruments (I can be a DJ for the kids singing "The wheels on the bus")!

I read to my infants just as much as do my toddlers because it stimulates them in different ways. I encourage individual thought and self expression.

I believe that children should have manners and I will work with the parents to make sure that we are always on the same page! I think that time out is necessary when accompanied with positive

reinforcement and guidance!

I am Certified in First Aid and CPR.
I have my own transportation!

If you are interested in learning more about me or have any questions Please contact me either by phone or e-mail.

Thanks!
