

Searching for solo dance instructor (Omaha)

Location **Iowa**
<https://www.genclassifieds.com/x-438165-z>

I am working on a project and am looking for a local choreographer to teach me the choreography for "baby one more time"

My background is I am a young girl in my 20s with a background of dance, gymnastics, and cheerleading although it's been about 4 years since I've done any of it, I am still in very good shape.

I would prefer someone who has a studio or access to.
