I am looking for a sweet , nice looking woman to skip all the BS and just move in, you can take the stuffed lion's place in the picture when we watch movies, LOL. About me: I'm a single 41 year old entrepreneur, white, 5'11", weighs 225, shaved head, manly type not a pretty boy (will send pics when I get yours) that is ready to settle down and don't want to spend a long time trying to figure out if we can stand each other enough to live together. Let's give it a shot and see if it works. I live in a nice neighborhood and have my head on straight!

I enjoy and play music, might be a business man but I'm a rocker at heart, enjoy and cook good food, and although I have a dominant personality I am very sensual, respectful and treat a woman very good and expect a woman to know how to treat her man.

Now for the rules.....

No drug addicts (420 ok), no children, no pets, no BF on the side and make sure you like affection because I have plenty. Also know that this this is not an offer to be a sugar daddy, I will put a roof over your head but don't expect me to pay your way for everything you desire. So for those hustlers out there, I'm a successful player in the business world and can smell your game a mile away. Responses without pictures will be deleted and in your response tell me what would make you a good fit for me and when you would be available for me to get to know each other a.
