

Handyman Services All phases of repairs , Custom Door installtion (Montgomery County)

Location **Washington**
<https://www.genclassifieds.com/x-438375-z>

Pictures are from a customer with old metal casement windows. new install with Simonton Sliders and all PVC trim. Will last 100 years.

Door installation: interior, exterior. Window and egress window installation.

Owner of Remodeling business and long time Montgomery County residence is offering top notch handyman services. Services include but not limited to:

Expert drywall repair, painting, door replacement, window replacement, facial board replacement, tile repair, caulking, shower door installation, plumbing leaks, faucet replacement, ceiling fan installation, switches and outlets replacement.. Please email and tell me what your needs are.

Now is the time to remodel!!!! Get that basement, bathroom and kitchen remodeled. I have over 30 years experience in the remodeling business and it seems nothing is a challenge anymore. I love to expand your kitchen or your bathroom project to maximize your space requirements. Please feel free to contact me for any questions you might have.

I am insured (Erie Five Star Contractor), MHIC license and a long time resident of Montgomery County.
