Hello, I am seeking help for an older, retired, platonic, Catholic, ethnic, female friend of mine, in her early to mid 60s, who has recently found herself with a diminished income level. I have helped her as much as I am able, although I only make between \$10 and \$11 hr, am a full time hotel employee, and am barely making it myself, but managing.

She is a very honest, a former business owner, and formerly involved within MI law enforcement, very personable, highly intelligent, an excellent cook, and way too proud to ask anyone for help. She does not know about my asking the greater (I-A) Catholic community or the Jewish community (via my cultural connection) for help. Any financial help from the community at large would be greatly appreciated.

Commerce Twp, MI. Thanks. Hoping some in the community will know who she is and would be able to help.

Ms. --, c/o Steve, P.O. Box 3583, Ann Arbor, MI 48106
