Two Marshall ferrets, their double sized Ferret Nation cage and all their stuff. The boys, Bruce and Lucky, are approximately 2-3 years young. They have more things than just what is pictured. They are very friendly, litterbox trained, and wonderful companions. They have been around other ferrets and love to play. Their rehoming fee is \$150 for everything. Please don't ask to separate them from their cage. Pictures are included here, don't ask me to text them to you. We're in Westport, near Fall River. Figure out if that's too far before you respond. Don't waste my time making an appointment to come see them and then cancel or not show. I will NOT hold them. That has failed in the past. They are first come, first served to the best home. Plan on coming this weekend. If the post is up, they're still available. If they go to Ferret Rescue, you will end up paying a lot more for them with less stuff. I want to see them enjoy all the things they have. They have enough hammocks and other toys that you can wash some and let them use the others. All their things are.
