Dancers, models and gorgeous women out there, private party organizer here and I am recruiting for a private party coming to your city soon. We are looking for dancers and models to come and be a part of the party. You get \$500 Cash just to show up plus probably an additional \$100+ in tips.

If you are interested in applying, we only need 5, so the best applicants get the gig. To apply, send an e-mail with your name, age (because you have to be over 18), phone number and a little about yourself, type of dancing or modeling you do, and just something you like. And please provide a photo, in the past we've had some mishaps, no more mishaps, the more photos the better and please don't send someone else's photo. . . please. Simple? Simple. I think so.

Looking forward to hearing from everyone. After your initial e-mail, if we like you, we'll ask a series of questions, just 2-5 questions, if everything goes well, we may do a paid Skype Interview (\$50) And go from there.
