We are looking for men and women (ages 13-older) to pledge our new fraternal organization and help us perform random acts of kindness that affect every day people in small, but impactful ways. We are looking for members from any city in Ohio to add to our fellowship!

Our organization operates on both virtual and physical platforms. We have virtual chapters in PA, VA, NC, SC, GA, FL, IL, MN, UT, MI, Poland, Australia, Canada, Nigeria and Kenya. We have a "physical" chapters (where meetings and activities happen) in NY, NJ and CT (a high school chapter). We work to do acts of kindness and formalized community service projects both virtually and physically.

Our next project is an act of kindness to benefit foster children and other at-risk youth who have overcome significant odds to graduate from high school!

To qualify, you must have (or create) a Facebook page and have an email account that you check frequently. You will spend the next seven weeks doing an "online" pledge orientation. Twice a week, we post information about our organization (regarding core values, mission, vision, charitable work) and all we need you to do is "like" the posts as you see them. After the seven weeks you become a member and the real work begins. You'll fill out an application and annually, you'll pay dues of \$30 (which help us do service projects and pay for overhead costs). Your dues are never increased.

Interested candidates should respond with (a) their name; (b) date of birth/age; (c) city/state of residence; (d) why this opportunity appeals to them. You must do it this way or we won't respond to you. But once we respond, you'll have to move pretty quickly as we are in week two of our seven week process!

We look forward to working with you to change the world, one act of kindness at a!
