28 Secluded mountain acres with a furnished Cabin. Water and Electric. Situated on a 8 acre private lake. Gated private 1/4th mile drive. All land is flat and buildable. Hunt, fish, swim, or relax. Pavilion built. Wildlife abounds, deer, raccoon, turkey and a variety of other assorted critters. A park like setting with all the privacy anyone would want. 3 acres cleared and the balance in woodland. A short drive down the mountain (25minutes) to Interstate 24. Equal distance to Chattanooga and Nashville or Huntsville. My private getaway I have owned for 25 years. 160k, not negotiable.

I do not need help selling this.
