We are looking for busty large chested women (you don't need to be a model). You can be any size as long as you have a large chest. Pay is negotiable and the photos should take no more than 1 hour of your time. I am very professional and this is not a scam. I don't need you to send me naked photos. However; a few images of you so I can have an idea of what you look like, and to be sure that you are "busty" would be.
