

# 2009 Starcraft Centennial 3612 High Wall Popup (10400 USD)

Location **Kentucky**  
<https://www.genclassifieds.com/x-438560-z>

This is a great camper! 2 king bunks and the dinette makes a full size bed. Sleeps 6 comfortably. It has full height countertops with a full stove range & oven, no swing-level galley, here! The kitchen includes plenty of counter space, double sinks, a 3 way fridge & a microwave. It also has a full wet bath with WALLS, not just a shower curtain. Other amenities include: heated mattress pads!, a twelve foot awning, outdoor shower & electric wench. Also included: our kitchen pantry unit & popup gizmos for the bunks. The roof has just been resealed. It has never leaked, just routine maintenance. Good tires- All ready for your first trip! I have modified the tenting on the bunk ends. From the factory, StarCraft does not provide any way to secure the tenting on the ends of the camper. This made me nervous with little ones, so I have added grommets & tie downs for the bunk ends. They work great & provided peace of mind. We have truly loved this camper! Our suv pulled it beautifully, even on long trips! One of the things that sold us on this camper is the fact that we got all of the amenities of a big camper in a smaller package that even I (the wife) could comfortably pull and set up on my own! Call for a time to come and take a look. Ask for
