Kingman spyder xtra, needs a feed neck(the part that connects the hopper and the gun), and a squeegee (a tool uses to clean the barrel) both can be easily purchased for 5\$ each at a sporting store. Comes with a mask and a carrying case and an electronic feed hopper(getting a new one is optional but it still works) also comes with a 20oz tank(does not need to be rehydro tested until 2017) The gun by itself was 130 so I'm asking 80 obo for everything Txt four-zero-two five-one-seven five-zero-five-three. Has to be picked up on the weekend because I work through the week days. thanks for.
