

Humvee Run Flat Tires, Set of Four (300, USD)

Location **Louisiana**

These are military issue tires and wheels from a Humvee. They have special inserts which allow them to be run after losing air pressure. Great for off road! I had another set which I put on a Dodge 350, so they fit 8-lug American made trucks. You May need wheel spacers for your front wheels. Details on the sidewall picture. Call
