My name is Jeanette and I have 15+ years experience working for preschool centers. I decided to open my own to provide a small group setting giving more one on one time to teach. We have excellent activities, worksheets, and fun games to help teach children about numbers, ABC's, colors, and small words. We adjust activities to their age as they learn more they begin to spell, add/subtract, do crafts, and write sentences. We enjoy working with and having a close relationship with parents and are eager to inform them of the progress their child is making.
