Hello fellow caregivers!

I'm the author of a soon-to-be-published memoir about the challenges and rewards I found caring for my elderly mom after my father's unexpected death.

Currently I am LOOKING FOR INTERVIEW SUBJECTS for my podcast series about aging well and wisely, with a focus on family caregivers.

I want to disrupt the image of caregiving in America-- to expand the conversation by having frank discussions about what's working and what's not. This lively and informative podcast series aims to provide strategies for staying sane while caring for your loved ones, and to offer support to listeners by hearing about a variety of experiences.

DO YOU HAVE A STORY TO TELL about your own caregiving experience? I'd love to hear it.

If you would like to participate in this podcast series, please contact me for further details. Thank you!
