

French conversation group in the DMV

Location **Washington**
<https://www.genclassifieds.com/x-438675-z>

I am a native French speaker and I want to start a French conversation group either via Skype or actual meetings. I am looking to start with a small group that will grow overtime. Focus will be on casual conversation and the group is open to all levels. So feel free to join the crowd for this exciting opportunity. This is not a paid event , so no worries there too.
