When buying a car, you need to be extremely careful. Its not just about the condition or how much you pay, but the complicated paperwork as well!

While there are many reputable dealers, there are crooked ones, too. You can easily end up owing far more than you expected, or buying a car that doesn't even work!

If you suspect that you have been the victim of a paperwork fraud or an auto loan scam, or bought a rebuilt wreck, get an experienced lawyer to protect your rights.

The Consumer Legal Clinic, llc has lawyers that understand the types of abuse that auto lenders and dealers engage in and has helped others get out from under unfair or oppressive finance agreements.

If they break the law, they may owe you \$\$\$ and pay your attorneys fees.

Free consultation. No recovery, no fee. We never take money out of your pocket.
