If your ID has been stolen, or you have errors on your Credit Report, you don't need to feel overwhelmed. You can hold reporters of inaccurate credit information accountable.

There are strict laws that say what Credit Reporting Bureaus and furnishers of credit info can and cannot do.

If they break the law, they may owe you actual damages and up to \$1000.00! and pay your attorneys fees.

We are real lawyers offering real legal help. This is not a "credit repair" outfit.

We want to hear your story, see if you have a case and we want to help you if we can.

*****Free consultation. No recovery, no fee. We never take money out of your pocket.*****

CALL the lawyers at the Consumer Legal Clinic, LLC. Licensed in both Kansas and Missouri.
