I am a 39 yr old single mother of a wonderful 11 yr old boy. I'm looking for someone who is in need of PT/FT short-term or long-term care.

I was a professional Nanny for 10+years and Ive always baby-sat, worked in church nurseries, taken cpr/first aid classes. I am very experienced and can provide many references! I have experience with newborn twins all the way to teens.

I live in a quiet neighborhood on a dead-end St in W St Paul. No thru traffic, and although an apt, its a small building and I am 1st flr on the corner.

I also am very flexible with hours and pay.

So, if you are interested and/or have any questions, please email me.
