Be the first to tread on these brand new ceramic tile wood floors, perfect for beach living. Split AC, ceiling fans, and Mother Nature's ocean breezes will keep you cool this summer, but when you get too hot, use our PRIVATE Lanikai Beach access to jump in the water. At low tide, the property also boasts its own white sand beach. At high tide, use our deck chairs to take in the view, but the property's private stairs make the ocean so accessible, you'll have no excuse to not jump right in!

This completely remodeled one-bedroom unit with secured entry will be move-in ready by the end of this month, and you will be the first to use the granite counter tops, full-sized washer and steam dryer, gas stove, with large pantry. One parking space, absolutely no pets and no smoking whatsoever. All utilities are included, minimum 6 month lease. Maximum occupancy is 2 persons.
