Looking for a good fit. Professional working person only, preferably temporarily located in Hawaii.

I have a beautiful bedroom, furnished, with private full bathroom in an amazing beach front condo on the north shore. Single person only. I have a large and friendly lazy dog, and a crazy sweet playful cat. You must like animals. My house is immaculately clean, beautiful and open. It's right on the beach in a non smoking very quiet residential building. It has a great kitchen, beautiful luxurious living. No TV in the bedroom but I'm sure I can hook one up. High speed internet.

A perfect fit will be someone that works a lot, not here on holiday. I work a lot, I am often off island working.

Month to month or six month max.

I'm a really mello but fun person, working professional woman. Available on July 1st, possibly a bit sooner.

Due to personal privacy concerns, I will not post photos but I will send upon.
