Aloha , I am looking for a motivated team payer !! I need a responsible adult with no DRAMA to clean for me at our Vacation rentals. I am very picky and have certain things I need done, our units are always booked and its due to my personal ability of cleaning, and managing .The unit is a 300 square feet, studio. This is a very open and easy to clean. The sched. will vary from day to day, or week to week. I need someone available 7 days a week from 11am-1pm but this job will not require you to work more than about 4 times a week on average depending on length of guest's stays... I supply all cleaning supply's and all the fresh linens . I require you to pick up the linens in advance of and drop off dirty ones after you're done cleaning . I am only 3 miles from the rental's so its a easy pick up and drop off. If you want to make good pocket cash please call or message me.. When you call we will discuss pay . I am very fair and respectful.. If your my girl or guy please call ME !! Blessings and Mahalo
