

# Cool Music Duo for Your Private Event (New Orleans Area)

Location **Louisiana**  
<https://www.genclassifieds.com/x-438867-z>

We are two born and raised in New Orleans guys who started playing music together in the 60's. We have put together a New Orleans spiced sound in the areas of traditional harmonic blues, country and gospel music. We play for private events and recently performed on WWOZ radio, News With a Twist TV show, The Neutral Ground Coffee House, Morning Call in City Park, The Bank Street Bar and The Old U.S. Mint to name a few.

We call ourselves Clyde & Iggy; please go to [www.clydeiggy.com](http://www.clydeiggy.com) to listen to some of our music, see our song list and read more about our duo. We welcome the opportunity to play for your event, our rates are very reasonable and look forward to your response.
